# GENERAL SALE INFORMATION

**TIME**—The show of sale cattle will start promptly at 9:30 a.m., Saturday, April 13, 1968. The sale will start promptly at 12:30 p.m., Saturday, April 13, 1968.

**LOCATION**—The show and sale will be held at the Grant County Fairgrounds, located one-half mile East of Marion, Ind., on Ind. Rte. 18.

**LUNCH**— Will be available on the grounds.

**SALE HEADQUARTERS**—Holiday Inn, Marion, Ind., located on Ind. 37 By-pass North of Marion.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE**—All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Breeders Association.

**HEALTH**—All cattle will be sold according to health laws of Indiana. Inter-State Health Charts will be provided, but all buyers should make themselves aware of any deviations from Indiana law that might be applicable to entry into their own states. **Brucellosis**: All cattle will have a test for Bang's within 30 days of the sale, unless they are officially calfhood vaccinated and under the minimum age, 30 months, or unless they come from Bang's Certified herds.

**T.B.:** All cattle will have a test within 30 days unless they come from Federally Accredited Herds.

A certificate of registry and a signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf sold in dam. Where footnotes appear in this catalog, they were furnished by the consignor or written from information supplied by the consignor. We will not be responsible for any accidents that may occur but will make effort to provide for the safety and comfort of our guests. The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. The sale manager was retained by the Indiana Shorthorn and Polled Shorthorn Assn. for the specific tasks of gathering the sale offering, handling the publicity, preparing the catalog and dispersing the receipts. Neither the sale manager, auctioneer, nor the clerk assumes any liability for fulfillment of guarantees, errors in health charts, handling of the cattle or condition of the premises.

**NAPOLEON DEBONAIR 2nd** — A thick, meaty bull with great balance, smoothness and over all symmetry. He has a leg on each corner and moves with a free stride. His full brother, Napoleon Debonair, was junior and reserve grand champion at Ohio in 1966 and later was champion of Best of Midwest sale and sold for \$2,050 to Paul Baker, Jonesboro, Ind. Since then he has been classified and scored a high AA. Reports are that his first calves are tremendous. We think Napoleon Debonair 2nd could breed the same. From the standpoint of length of body, smoothness and muscularity he is truly modern. With the record of his sire behind him along with his wonderful mother and her production record we feel this bull has a great future. Herd TB and Bangs accredited.

LAKESIDE BOMBER — Sired by Lakeside Banner, grand champion at 1965 Best of Midwest sale. He carries a strong resemblance of his sire. Thick and deep muscled with great balance and carriage, he looks the part of a stock bull with his strong massive head and abundance of bone. His dam is one of our best producers and we recommend him highly. He has been used in our herd.

NOBLE ASSURANCE x — A three-year-old son of Lynnwood Orderly x who in three years has never sired a horned animal for us. The dam, C F Goldendrop 2nd, has produced our top show animals the past four seasons. You'll also note the granddam of C F Goldendrop 2nd was Noble Rosewood Missie, dam of C F Leader x, the top selling Shorthorn or Polled Shorthorn bull in 1963. Assurance stood second in class to the Indiana state fair grand champion Gold Medal bull in 1966. We offer him for sale only because of our recent purchase of Glatwyn Basil x, junior champion Polled Shorthorn bull at the 1967 Illinois state fair. After running with our cow herd this past fall, Assurance is in good working condition and ready for heavy service.

*Shorthorns are known as the great improver. Their ability to produce rugged, fast growing calves is well known and unparalleled. The 19 bulls that sell in this sale are the kind that made this reputation and the kind that will keep it growing and growing.*

CATALPA GROVE JASON — A worthy son of the great Louada Jason and out of a beautiful heifer by Kinellar Refiner. He has a strong head, deep quarters and stands on a good, rugged set of legs. We purchased his mother in the 1965 Indiana state sale where she stood first in her class. A half brother was grand champion at Princeton, Ill., this past fall, another half brother belonging to Lawrence Scherer, Fowler, Ind., proved to be quite a show bull plus a better breeding bull. We have seven of our best cows bred to him.

*Look to Indiana Shorthorn and Polled Shorthorn breeders for the very best replacement heifers and bulls that can head the strongest herds. Indiana Association sales are where the breeders put their best. These sales are always among the tops in the country. If you are looking for quality . . . look to Indiana.*

His sire, Lynnwood Radiant x, a 100% dehorner and one of Lynnwood's pair of calves which won first 1965 International. We are extremely well pleased with our show prospects for 1968 by this young herd sire. Caption's dam, Noble Rose Blossom, was reserve champion female at two strong 4-H shows in Indiana. Each year you'll note calves in our show herd from this same Blossom family.

LAKESIDE RICHARD — We could recommend this bull highly strictly on his pedigree alone. His dam is one of our favorite Louada Broadsword daughters, she being out of a tremendous Louada Actor cow we purchased some years ago from MSU in a state sale. Therefore, the first two cows on the maternal side of his pedigree are by good breeding sons of Bapton Constructor and being sired by a grandson of Constructor. Richland is a rugged, good muscled bull that we have always liked and think will breed very well.

## WEAN MORE THAT WEIGH MORE WITH SHORTHORNS

*In these days of rising costs, cattlemen are looking to Shorthorns for crossing, because . . . they know a Shorthorn bull will add 50-60 pounds to the weaning weight of each calf. They know the resulting calf will be husky, fast-growing and freer from disease.*

*They know the replacement heifers will calve easier and give more milk.*

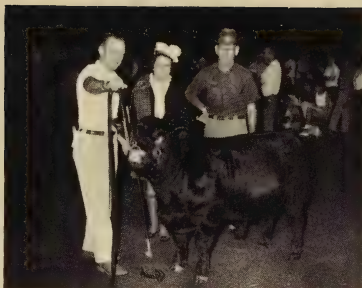

*They know the end result is more money in the bank. Join the swing to Shorthorns.*

*They know there will be a higher percentage calf crop with a Shorthorn bull in the pasture or on the range.*

NAPOLEON SECRET 2nd — A heifer not highly fitted we expected to keep. She is feminine headed, straight and correct and should be a wonderful brood cow. Her full sister will be the senior calf in our show herd next year. The Napoleon - Wonder blood has been a good blend for us and this heifer helps prove it. Calfhod vaccinated. Herd TB and Bangs accredited.

ARROWHEAD LAVENDER B 5th x — The Lavender B family has consistently been represented in our show string, this cow being the dam of the senior heifer calf we showed last year, and eventually took to the Tennessee National sale where she stood second to the champion and sold for \$825 to Dr. Smith of Greenville, S.C. A full brother to this heifer sells at foot, born in October, and she is rebred to the 1967 International grand champion bull Sutherland Crest.

# STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
